this phenomenal bestseller over 525 000 copies sold explores how we often misunderstand the causes of our conflicts and shows us the paths to achieving true peace within ourselves and our relationships from the authors of leadership and self deception comes a new edition of an international bestseller that instills hope and inspires reconciliation what if conflicts at home conflicts at work and conflicts in the world stem from the same root cause what if we systematically misunderstand that cause and what if as a result we unwittingly perpetuate the very problems we think we are trying to solve this book unfolds as a story yusuf al falah an arab and avi rozen a jew each lost his father at the hands of the other s ethnic cousins the anatomy of peace is the story of how they came together how they help warring parents and children come together and how we too can find our way out of the personal professional and global conflicts that weigh us down even when war is upon us

from the authors of leadership and self deception over 2 million copies sold comes a new edition of this bestseller that has been thoroughly revised to more effectively

address the diversity equity and inclusion challenges that plague our communities and hinder our organizations what if conflicts at home at work and in the world stem from the same root cause what if we systematically misunderstand that cause and what if as a result we unwittingly perpetuate the very problems we think we are trying to solve the anatomy of peace uses a fictional story of an arab and a jew both of whom lost their fathers at the hands of the other s cousins to powerfully show readers the way to transform conflict we learn how they come together how they help parents and children come together and how we too can find our way out of the personal professional and social conflicts that weigh us down the fourth edition includes revisions and new materials and resources that increase its relevance and usefulness at a time of deeply entrenched divisions throughout society additionally it includes new detailed discussions of the pattern of dehumanization that lies at the heart of today s most pressing struggles with prejudice and discrimination challenges that cannot be solved until the origins of bias and discrimination are properly understood and addressed the new edition is a unique and vital resource for combatting racism and prejudice in their many manifestations

what if conflicts at home conflicts at work and conflicts in the world stem from the same root cause what if we systematically misunderstand that cause and what if as a result we systematically perpetuate the very problems we think we are trying to solve every day from the authors ofÂ leadership and self deceptionÂ comes an international bestseller that instills hope and inspires reconciliation through a moving story of parents who are struggling with their own children and with problems that have come to consume their lives we learn from once bitter enemies the way to transform personal professional and global conflicts even when war is upon us

new edition revised and updated leadership and self deception the arbinger institute's first book the anatomy of peace has become a worldwide phenomenon not because of a media blitz movie tie in or celebrity endorsement but because readers have enthusiastically recommended it to colleagues relatives and friends the anatomy of peace asks what if conflicts at home conflicts at work and conflicts in the world stem from the same root cause what if we systematically misunderstand that cause and what if as a result we unwittingly perpetuate the very problems we think we are trying to solve through an intriguing story we learn how and why we contribute to the divisions and problems we blame on others and the surprising way that these problems can be solved yusuf al falah an arab and avi rozen a jew each lost his father at the hands of the other's ethnic cousins the anatomy of peace is the story of how they came together how they help warring parents and children come together and how we too can find our way out of the struggles that weigh us down this second edition includes new sections enabling readers to go deeper into the book's key concepts access to free digital study and discussion guides and information about the reconciliation project a highly successful global peace initiative based on concepts in the anatomy of peace

new edition revised and updated leadership and self deception the arbinger institute's first book the anatomy of peace has become a worldwide phenomenon not because of a media blitz movie tie in or celebrity endorsement but because readers have enthusiastically recommended it to colleagues relatives and friends the anatomy of peace asks what if conflicts at home conflicts at work and conflicts in the world stem from the same root cause what if we systematically misunderstand that cause and what if as a result we unwittingly perpetuate the very problems we think we are trying to solve through an intriguing story we learn how and why we contribute to the divisions and problems we blame on others and the surprising way

that these problems can be solved yusuf al falah an arab and avi rozen a jew each lost his father at the hands of the other s ethnic cousins the anatomy of peace is the story of how they came together how they help warring parents and children come together and how we too can find our way out of the struggles that weigh us down this second edition includes new sections enabling readers to go deeper into the book s key concepts access to free digital study and discussion guides and information about the reconciliation project a highly successful global peace initiative based on concepts in the anatomy of peace

the premise of this follow up to leadership and self deception is simple people whose hearts are at peace do not wage war whether they re heads of state or members of a family

the anatomy of peace will instil hope and inspire reconciliation through a series of moving stories about once bitter enemies reunited it shows us how we routinely misunderstand the causes of conflict and perpetuate the very problems we re trying to solve the anatomy of peace shows you how to 1 focus on helping things go right rather than fixing things that go wrong 2 think about others as people with fears of their own not obstacles in your way 3 stop worrying about how the world sees you 4 learn to move away from blame and bitterness welcome to a world without conflict

this conversational book takes readers on the journey of examining global violence and the triggers for war it looks at why so many cultures battle each other and how many people participate in a cycle of fighting committed by others everyone can find a reason to do as they please wanting to disengage from the situation or needing assurance that their reasons are valid the tidbit explores how we can avoid violence altogether exploring strategies for healing wounds enacting new strategies

that promote peace and looking at story forms that create a culture of peace most wars between individuals are of the cold rather than the hot variety lingering resentment for example grudges long held resources clutched rather than shared help not offered these are the acts of war that most threaten our homes and workplaces arbinger institute disclaimer this summary is meant to enhance your reading experience the insights analysis and overall essence is unofficial work and not the original book it is not intended as a substitute for the original work it summarizes it is not licensed approved authorized or endorsed by the original author or publisher

the international bestseller on conflict resolution has been updated with a powerful new discussion guide for creating lasting change in organizations relationships and communities new from the arbinger institute the authors of the bestselling leadership and self deception comes an updated edition of its transformative work on conflict resolution what if the conflicts in our lives from personal disagreements to workplace tensions to global divisions all stem from the same root cause the anatomy of peace shows how our biases and behaviors perpetuate cycles of conflict and more importantly how we can break free from these patterns to create lasting peace and meaningful change this book unfolds as a story yusuf al falah an arab and avi rozen a jew each lost his father at the hands of the other s ethnic cousins the anatomy of peace is the story of how they came together how they help warring parents and children come together and how we too can find our way out of the personal professional and global conflicts that weigh us down even when war is upon us this new edition includes a new preface and an extensive discussion guide that helps readers apply these principles in practical ways making it an invaluable resource for organizations teams and individuals seeking to transform conflict into cooperation

summary analysis review of the arbinger institute s the anatomy of peace by instaread preview the anatomy of peace resolving the heart of conflict second edition is an expanded version including additional appendices of a successful 2006 publication by the arbinger institute the book which uses fictional characters to illustrate its points details strategies for defusing political personal and business conflicts it argues that conflict must be approached with a heart at peace rather than a heart at war before people can change another s behavior they must rid themselves of hatred and self deception lou herbert a fictional businessman has come to arizona with his wife carol to enroll their son cory who is a drug addict in a wilderness retreat for struggling youth lou also faces a crisis in his business he is in the middle of a labor dispute and many of his top managers have recently quit lou and carol are taken to a meeting with a number of other parents the meeting please note this is a summary analysis review of the book and not the original book inside this summary analysis review of the arbinger institute s the anatomy of peace by instaread overview of the book important people key takeaways analysis of key takeaways about the author with instaread you can get the key takeaways summary and analysis of a book in 15 minutes we read every chapter identify the key takeaways and analyze them for your convenience visit our website at instaread co

after mr and mrs b leave everything they have ever known and purchase a ranch on a worn out cotton farm in texas they have great hope for a life of peace but the relationship between the ranch s menagerie of animals is anything but peaceful and mr b worries continuously about how he can stop the conflict he finally turns everything over to the animals in the hope they will work together to make the b bar ranch a success the resident animals cows equines pigs chickens and a big semi trained cow dog are thinking talking creatures that see themselves and others as objects or farm animals and often demonstrate the worst characteristics of people in

conflict but when a sheep mysteriously appears and teaches them to regard one another like human beings who know god have their own special hopes needs cares and fears and can choose to act of their own volition they begin to realize peace on earth and the ranch this tale for all ages demonstrates that when people regard themselves and others as human beings rather than objects or animals they move from conflict toward shalom in their lives

timely and pathbreaking securing the peace is the first book to explore the complete spectrum of civil war terminations including negotiated settlements military victories by governments and rebels and stalemates and ceasefires examining the outcomes of all civil war terminations since 1940 monica toft develops a general theory of postwar stability showing how third party guarantees may not be the best option she demonstrates that thorough security sector reform plays a critical role in establishing peace over the long term much of the thinking in this area has centered on third parties presiding over the maintenance of negotiated settlements but the problem with this focus is that fewer than a quarter of recent civil wars have ended this way furthermore these settlements have been precarious often resulting in a recurrence of war toft finds that military victory especially victory by rebels lends itself to a more durable peace she argues for the importance of the security sector the police and military and explains that victories are more stable when governments can maintain order toft presents statistical evaluations and in depth case studies that include el salvador sudan and uganda to reveal that where the security sector remains robust stability and democracy are likely to follow an original and thoughtful reassessment of civil war terminations securing the peace will interest all those concerned about resolving our world s most pressing conflicts

the anatomy of peace resolving the heart of conflict by the arbinger institute
